

Civil Air Patrol Pilot Training

This is a two-day event for Civil Air Patrol Pilots training in mountainous areas. The event starts on August 15, 2015 and completes on August 16, 2015. Daily training starts at 0800 and concludes at 1800. After the first day of ground training, refresher mountain flight training and initial mountain flight training sorties will be conducted (2 hr sorties). Weather backup dates are August 22-23, 2015. Call for any possible changes due to weather.

NOTE: This event is for Civil Air Patrol Pilots only.

Directions: All training will be conducted at the Asheville CAP Squadron Headquarters Building.

A message from the National FFASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
